How to earn Stamp Your Art Out! Loyalty Rewards

Place your order with me either in person, via [email](#), or [online](#). Earn a point for every \$50* worth of product ordered. Separate orders may not be combined to reach a point. (Examples: A \$49.95 order will not qualify for any points, a \$99.95 order will qualify for 1 point, but an order of \$100.95 will qualify for 2.) You can even earn [Stampin' Rewards](#) AND [Loyalty Points](#) on orders over \$150! Orders that include product from the [Clearance Rack](#) will also qualify. Product Share orders, Class/Club fees and supply fees, local event/club orders that earn other perks (unless order is placed online using club/event hostess code), coupons and any amounts paid towards [Stampin' Rewards](#) (1/2-Off items and any amounts paid towards Hostess Free Merchandise - tax and dollars that go over) will not qualify. You are responsible for tracking your orders and points. Print Loyalty Rewards Tracking Sheet [here](#). Collect 10 points, contact me when ready, then send me your completed tracking sheet (email or snail mail), and I'll order and mail you your FREE stamp set after confirming your purchases! Form must be complete and include your choice of current stamp set** (any price!). Please allow 2 to 4 weeks for delivery. Points expire after one year. Terms and conditions are subject to change.
