Measurements:

- Just Jade Cardstock: 4-1/4" x 11" scored parallel to short side at 2-1/8" and 5-1/2"
- Basic White Cardstock: 3-3/8" x 4" & 1-1/2" x 4"
- Hand-Penned Designer Paper: 4" x 4" (floral design), 1" x 4" & 1/2" x 4" (purple design), & 1-1/2" x 4" (striped design)
- 2021-23 In Color Shimmer Vellum (Fresh Freesia): Scrap for punching daisy
- Highland Heather Shimmer Grosgrain Ribbon: 4-1/2" & 2-1/2"

Directions:

- Stamp "happy" on small white piece, then emboss & add a sequin. Stamp "HAPPY" and "birthday" on larger white piece.
- Fold card base into a Z as shown above. Then add the large white piece, the thinnest purple designer paper piece, and the striped designer paper piece in that order to the inside area first. There will be an overlap of the white & striped piece.
- Fold the card shut. Line up the 4" x 4" floral piece so that it fills the front folded flap & covers the layers underneath.
- Cut a notch in the end of the smaller ribbon and adhere it to the embossed piece (trim off excess). Attach the other purple designer paper piece to the longer ribbon (trim off the excess). Open the card fully and attach this piece under the floral section. Close the card and attach the embossed white piece at the top but also tucked under the front flap a bit.
- Punch the daisy, cut it in half, and layer it together with a Glue Dot. Add it to the inside of the card and add a sequin.
